

M8 Connector

TE Internal #: T4040034041-000

Wire-to-Panel, 4 Position, Sealable, Wire & Cable, Signal, Panel Mount, Reverse Gender, Nickel, M8 Connector, Standard Circular Connectors

[View on TE.com >](#)

Connectors > Circular Connectors > Standard Circular Connectors > M8 Panel Mount PCB

Connector System: **Wire-to-Panel**  
Connector Mounting Type: **Panel Mount**  
Number of Positions: **4**  
Sealable: **Yes**  
Connector & Contact Terminates To: **Wire & Cable**

[All M8 Panel Mount PCB \(12\)](#)

Features

Product Type Features

|                                   |                      |
|-----------------------------------|----------------------|
| Connector System                  | Wire-to-Panel        |
| Sealable                          | Yes                  |
| Connector & Contact Terminates To | Wire & Cable         |
| Circular Connector Type           | Plug                 |
| Shell Type                        | Metal                |
| Assembly Requirement              | Factory Assembled    |
| Circular Connector Shell Type     | Metal-Shell          |
| Connector Product Type            | Connector Assembly   |
| Assembly Type                     | Electrical Connector |

Mechanical Attachment

|                         |             |
|-------------------------|-------------|
| Connector Mounting Type | Panel Mount |
| Polarization Code       | A           |
| Mating Alignment Type   | Keyed       |

Configuration Features

|                                       |     |
|---------------------------------------|-----|
| Number of Positions                   | 4   |
| Number of Power Positions             | 0   |
| Number of Signal Positions            | 4   |
| Contacts Preloaded                    | Yes |
| Keying & Polarized Position Locations | A   |
| Factory Installed Backshell           | No  |

Contact Features

|                                 |     |
|---------------------------------|-----|
| Contact Current Rating (Max)    | 3 A |
| Reverse Gender                  | Yes |
| Circular Connector Contact Type | Pin |

Operation/Application

|                     |        |
|---------------------|--------|
| Circuit Application | Signal |
| Shielded            | Yes    |

Body Features

|                                             |                   |
|---------------------------------------------|-------------------|
| Shell Plating Material                      | Nickel            |
| Shell Base Material                         | Copper Alloy      |
| Circular Connector Insulation Material Type | Polyamide 67 GF30 |
| Hermetically Sealed                         | Yes               |
| O-Ring Material                             | Silicone          |
| Environmental Protection                    | IP67              |
| Environmental Protection Type               | Sealed            |
| Primary Product Color                       | Black             |
| Peripheral Seal Material                    | Silicone          |

Housing Features

|                               |      |
|-------------------------------|------|
| Circular Connector Shell Size | 12.6 |
|-------------------------------|------|

Usage Conditions

|                             |                           |
|-----------------------------|---------------------------|
| Operating Temperature Range | -40 – 85 °C[-40 – 185 °F] |
| IP Dust Sealing Level       | 6                         |
| IP Water Sealing Level      | IP67                      |

Other

|                    |                           |
|--------------------|---------------------------|
| EU RoHS Compliance | Compliant with Exemptions |
|--------------------|---------------------------|

|                            |                           |
|----------------------------|---------------------------|
| EU ELV Compliance          | Compliant with Exemptions |
| Electrical Characteristics |                           |
| Operating Voltage          | 30 VAC                    |
| Industry Standards         |                           |
| UL Flammability Rating     | UL 94HB                   |
| Packaging Features         |                           |
| Packaging Quantity         | 1                         |

| Halogen Content                               | Not Low Halogen - contains Br or Cl > 900 ppm.                                                                                                                                                                                                                                                                                                                                                                               |
| Solder Process Capability                     | Not applicable for solder process capability                                                                                                                                                                                                                                                                                                                                                                                 |

Product Compliance Disclaimer

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change. The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked. Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV). Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles' posted at this URL: <https://echa.europa.eu/guidance-documents/guidance-on-reach>
